- (I) The first retail owner and any subsequent owners
- (II) ONLY those portions of a NEW conversion not excluded under the section "What is Not Covered"
- (III) ONLY defects in workmanship performed and/or materials used to assemble those portions of your conversion not excluded under the section "What is Not Covered". "Defect" means the failure of the workmanship performed and/or materials used to conform with the design and manufacturing specification and tolerances of Field Van, Inc.

The Limited Warranty is transferable and the subsequent owner's warranty coverage period shall be the unexpired balance of the original warranty coverage period. A completed copy of the Warranty Transfer Form must be submitted to Field Van, Inc. at the time of resale.

When you request and accept the performance of warranty repairs under the terms of this Limited Warranty, you are accepting all terms of this Limited Warranty, including by way of example, warranty limitations and disclaimers, the forum selection clause, and the clause reducing the period when suit must be filed for breach. If any term of condition in this limited warranty conflicts with your state's Uniform Commercial Code ("UCC") as interpreted by courts within your state, the provisions of your state's UCC are varied as allowed for by USS 1-302.

Coverage

Coverage ends 60 months after the first retail owner takes initial delivery of the motorhome from Field Van, Inc. There is no mileage restriction. Any action for breach of this warranty or any implied warranties must be commenced not more than 61 months after breach.

OR

Coverage ends 12 months after the first commercial owner takes initial delivery of the motorhome from Field Van, Inc. There is no mileage restriction. Any action for breach of this warranty or any implied warranties must be commenced not more than 13 months after breach.

A commercial owner is defined as any owner who will use the motorhome for anything other than for recreation purposes, including, but not limited to, use of the motorhome for residential, rental, business and commercial purpose or any motorhome purchased by, registered by, or titled in the name of a business

association (such as any LLC, corporation, or partnership). If the motorhome owner or user files a tax form claiming a business or commercial tax benefit or income related to the motorhome, it shall be irrefutable that the motorhome has been used for rental, commercial or business purposes.

Some states do not allow the reduction of the time when a breach of warranty claim must be commenced, so the reduction in time when a breach of warranty claim must be commenced may not apply to you.

4x4 Conversion Coverage

Coverage ends 36 months after the first retail owner first takes delivery of the motorhome from Field Van, Inc. or after the odometer reaches 36,000 miles, whichever occurs first. Any action for breach of this warranty or any implied warranties must be commenced not more than 37 months after breach.

Some states do not allow the reduction of the time when a breach of warranty claim must be commenced, so the reduction in time when a breach of warranty claim must be commenced may not apply to you.

Limitation of Implied Warranties

Implied warranties arising under applicable law, if any, including but not limited to implied warranties of merchantability or fitness for a particular purpose, are hereby limited in duration to the term of this limited warranty and are limited in scope of coverage to those portions of the motorhome covered by this limited warranty. There are no express warranties or any implied warranties of merchantability on those portions of the motorhome excluded from coverage. There is no warranty of any nature made by Field Van, Inc. beyond that contained in this limited warranty. No person has authority to enlarge, amend or modify this limited warranty. Field Van, Inc. is not responsible for any undertaking, representation or warranty made by any dealer or others beyond those expressly set forth within this limited warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

Disclaimer of Incidental and Consequential Damages

Field Van, Inc. disclaims any and all incidental and consequential damages, including but not limited to expenses such as transportation to and from Field Van, Inc. repair facilities, loss of time, loss of pay, loss of use, inconvenience, commercial loss (including but not limited to lost profits), towing charges, transportation fares, vehicle rental, service call charges, fuel expenses, incidental charges such as telephone calls and facsimile transmissions, and expenses for lodging and moisture

damage such as mold and mildew as well as rust and corrosion. This disclaimer is independent of any failure of the essential purpose of any warranties provided with the motorhome and shall survive any determination that a warranty failed of its essential purpose. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Repair Remedy

Field Van, Inc.'s sole and exclusive obligation is to repair any covered defects discovered within the warranty coverage period if: (1) within 10 days of your discovery of a defect you notify Field Van, Inc. of the defect; AND (2) you deliver your Motorhome to Field Van, Inc. at your cost and expense.

Back-Up Remedy

The repair remedy and the back-up remedy must both be exhausted, and these remedies must fail to fulfill their essential purpose before you can seek any legal or equitable relief. This limited warranty is not a warranty that promises or extends to future performance because the warranty does not make a representation on how your motorhome will perform in the future, but instead represents only what the remedy will be if a defect exists.

Unless prohibited by state law, repairs will not extend the time when you must commence a breach of warranty claim and shall not extend the warranty coverage period. Any performance of repairs after the warranty coverage ends OR any performance of repairs to those portions of your motorhome excluded from coverage shall be considered "good will" repairs. Warranty repairs should be expected. Field Van, Inc. may use new and/or remanufactured parts and/or components of substantially equal quality to complete a repair.

Accident

We strongly urge our customers to inspect the vehicle upon receipt of delivery for any damage caused by accident while being delivered to you or while it is on Field Van, Inc.'s property. Damage of this nature becomes the customer's responsibility upon acceptance of delivery, unless Field Van, Inc. is notified and the person making the delivery verifies the damage. Glass breakage, whether obviously struck or mysterious, is always accidental and covered by most insurance policies.

Lack of customer care and/or improper maintenance will result in early failure for which Field Van, Inc. cannot be held responsible.

Exposure

Deterioration by sunlight is possible to such items as tires, curtains, flooring, cabinets, or upholstery. Steel or metal surfaces are subject to the elements, causing rust and corrosion that is normal and beyond the control and responsibility of Field Van, Inc.

Overload

Damage due to loading beyond capacity or to cause improper balance is not covered by the Field Van, Inc. Limited Warranty. The Field Van, Inc. motorhome is engineered to properly handle any normal load. There are limits to the amount of load that can be safely transported depending upon speed and road conditions. If these limits have been exceeded, the Field Van, Inc. Limited Warranty will not cover resulting damage. For additional information on the load capacity of your motorhome, consult vehicle manufacturer and Field Van, Inc. Owner's Manuals, or gross vehicle weight rating plate.

Chemical Gassing

Chemical gassing is not a "Defect" in your motorhome and is not covered by the Limited Warranty. This is something that naturally occurs with new materials.

CHASSIS WARRANTY

Field Van, Inc. does not accept any responsibility in connection with any of its motorhomes for the van chassis or its components. The chassis and its components are covered by manufacture's warranties as explained by manufacture's literature provided. Your van and its components are pre-checked by its manufacturer before delivery to Field Van, Inc. All service to the van and its components must be performed by a manufacture designated service points according to the manufacturer's warranty and service policies. The literature provided with each motorhome gives important information concerning its warranty coverage, maintenance, and operation.
